

# Strategic Aim 2 and 3

Global Shelter Cluster Meeting  
Geneva, 9 October 2014

# Strategic Aim 2

An effective and well-functioning  
Global Shelter Cluster.

## Strategic Aim 2: An effective and well-functioning Global Shelter Cluster.

2.1	An <b>inclusive and broad-based GSC</b> , with increased participation of <b>emerging humanitarian actors</b> .
2.2	<b>Effective and accountable governance and management structures</b> , open to the participation of all cluster partners.
2.3	An innovation culture, harnessing <b>new technologies and programming approaches</b> for enhanced shelter response.
2.4	<b>Consistency</b> in technical standards, specifications, reporting, indicators and policies.
2.5	The prime global humanitarian shelter knowledge hub, providing the <b>primary information portal</b> for all actors engaged in humanitarian shelter response.
2.6	Cohesive <b>training and capacity building</b> initiatives.
2.7	A common <b>understanding on global shelter response capacity</b> , including material stockpiles and pre-positioning approach, suppliers, human resources, and overall capacity of humanitarian agencies.
2.8	<b>Active participation in IASC</b> activities and inter-cluster initiatives.
2.9	<b>Enhanced partnerships among shelter actors</b> allow for pooling resources and ensuring complementarity of efforts.
2.10	A clear and predictable <b>division of responsibilities with other clusters</b> .
