The image shows a screenshot of the ShelterCluster.org website with several callouts pointing to specific features:

- Multi-language:** Points to the language dropdown menu in the top right corner, which is currently set to "English".
- Global Cluster:** Points to the "Global" tab in the main navigation bar.
- Country Level clusters:** Points to the "Africa", "Americas", "Asia/Pacific", "Europe", and "MENA" tabs in the main navigation bar.
- Shelter and Coordination References:** Points to a list of news items on the right side of the page, including "Syria Level 3 contingency activation", "Myanmar cluster activated", "New page on Fiji Typhoon Evan 2012", and "New page on Philippines Typhoon Pablo 2012".
- Possibility to subscribe to global updates:** Points to the "Subscribe to Global Updates" link in the left-hand sidebar menu.
- Twitter feeds @ShelterCluster:** Points to a section on the right side of the page titled "@ShelterCluster on Twitter" which displays tweets from the organization.
- For Free:** A large callout in the bottom right corner.

The website header includes the ShelterCluster.org logo, the text "Coordinating Humanitarian Shelter", a search bar, and a language selector. The main navigation bar contains links for Home, About us, Global, Africa, Americas, Asia/Pacific, Europe, MENA, and References. The left sidebar lists various resources such as "All Operations", "Give us Feedback", and "Key Reference Documents". The main content area features a large banner for "More than 1 Million beneficiaries in 2012" and a grid of regional links.
