

American Refugee Committee (ARC)

Founded in 1979, ARC is an international, nonprofit, nonsectarian organization providing health care, humanitarian aid and training

ARC especially focuses on children related interventions

to millions of refugee and Internally Displaced People (IDP) over the past 27 years.

ARC Country Director Ms. Louise Paterson in a Community meeting in ARC's 1st Provided Shelter in Rod Mullazai

Commitment towards humanitarian assistance in emergencies and sustainable development

ARC provides life supporting and self-reliance assistance in camp management; primary and curative health care; water and sanitation; community health education and awareness; vocational health training; HIV/AIDS awareness and prevention; mother/child health care, including emergency obstetrics; gender-based violence (GBV) prevention and counseling; emergency shelter assistance and transition services. ARC is a member of the Reproductive Health Response in Conflict Consortium (RHRC), which promotes sustained access to comprehensive, high quality reproductive health programs in emergencies, and also provide technical assistance, access to up to date research based resource materials and trainings.
