

# Dolakha

**41,439<sup>1</sup>**

Households live above 1,500m

**52,000<sup>2</sup>**

Houses were damaged by the Earthquake

**89%<sup>3</sup>**

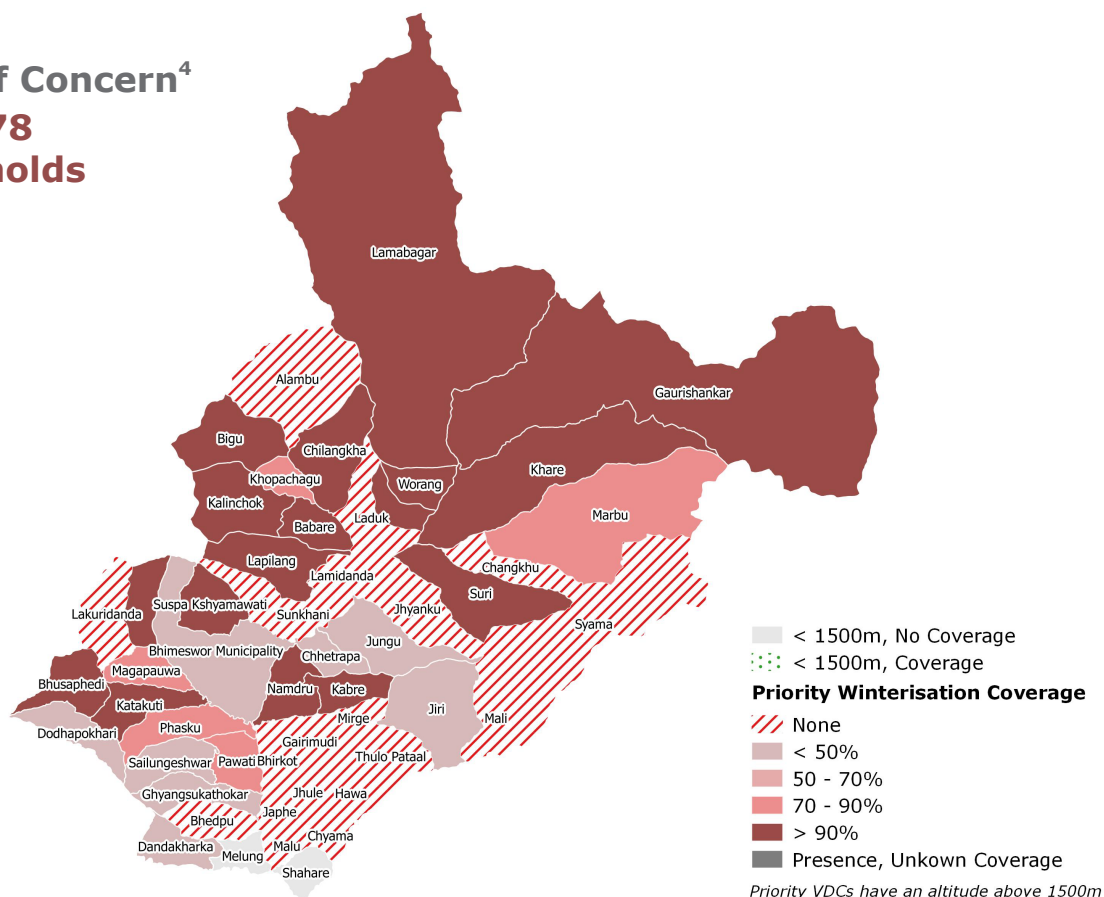

of the families live in Temporary Shelter

**36,711<sup>3</sup>**

HHs live in t-shelter above 1,500m

**Population of Concern<sup>4</sup>**

**11,478  
Households**

## Current Situation

- Distribution of Blankets, mattress, tarpaulins and other winter items has been completed in 7,117 HHS.
- Distribution of winter kit and voucher(worth NPR 13,000) as per the SC guidance by 5 agencies to 7,771 HHs is ongoing. It is supposed to be completed by the end of December.
- Regarding the confirmed plan of various agencies, 15,542 HHs will be assisted by either in kind in coming week.

## Background

Dolakha is one of the most covered districts. Distribution of temporary shelter such as tarpaulins and CGI or its equivalent in cash were widely delivered with 113,848 CGI/cash distributions being sent to more than 52,000 affected households. Although there is significant coverage in the district, there are still some VDCs which were less served due to accessibility.

For more information, contact our district focal point: Keisuke Kamiya (IOM ), [kkamiya@iom.int](mailto:kkamiya@iom.int), 9801009208

<sup>1</sup> according to 2011 Census

<sup>2</sup> as per DRR Portal damage figures

<sup>3</sup> according to the Shelter Recovery Monitoring Assessment - October 2015

<sup>4</sup> households living in the areas marked in red stripes. These are the households living in t-shelter above 1500m.

The coverage is calculated against damage figures gathered at district level (coverage percentage=winterisation plan/number of damaged houses)
