

Emergency Assessment Team - Initial Situation Tool

Consent: Hello, my name is _____, and I am working for (organization name). We are working for a humanitarian organization and we would like to ask you some questions to understand the impact the recent crisis/disaster(s) reported in the area. This is a short survey and by answering the questions you will help humanitarian workers provide information to appropriately plan any further potential response. **This survey does not imply that assistance will be delivered.** The survey will take about 30 minutes and any information that could identify you will be kept strictly confidential. This is voluntary and you can choose not to answer any or all of the questions. However, we hope that you will participate because **it is important to help us plan any assistance.** If you have questions, please ask; if not, may I begin?
