A grayscale photograph of a large refugee camp in a hilly, arid landscape. Numerous white tents are pitched across the terrain, and many people are visible, some standing and some moving. The scene is set against a backdrop of rolling hills and a clear sky.

Shelter / NFI Cluster Meeting

Natural Disaster Incidents Overview

15 June 15

REGIONAL FORUM ON “INTERNATIONAL COOPERATION IN THE AREA OF MIGRATION AND EMERGENCY PREPPAREDNESS”

IOM AFGHANISTAN

Incidents Summary:

Since 1 May, some 40 natural disaster incidents (flood, landslide and heavy rainfall) were reported across 15 provinces in North, Northeast, West, Central Highland and Eastern region affecting more than 1500 families (10,000 individuals) in 27 districts of 15 provinces

Coordination Structure:

Overall, the coordination structure worked well. Ad-hoc Provincial Disaster Management Committee (PDMC) meetings were convened to coordinate assessment and response at the provincial level. In addition, the regional ES/NFI cluster, HRT and OCT at provincial level actively contributed to coordinating assessments, responses and delivering of relief items to the affected locations.

Assessment Results:

- 100% of the 27 affected districts have been jointly assessed.
- 1,191 families (8,057 individuals) affected,
- 412 houses completely destroyed, 747 houses severely damaged and 11 houses moderately damaged in 27 districts.
- 15 people have been killed and 30 injured.
- Number of livestock killed,
- Water network destroyed,
- Agricultural land damaged,
- Some water dump with few kilometer road are damaged.

ARCS carried out the assessments in few districts of Faryab provinces where access was not possible for humanitarian agencies due to security concerns.

Needs:

The main needs of the affected families were food, non-food items, tents, clothing, emergency shelter and hygiene kits.

Response:

- The majority of the assessed caseloads have been assisted by IOM, WFP, UNICEF, IRC, PIN, ACTED, NRC, DRC, SC, CONCERN, ARCS, DoRRD, ANDMA and other I/NGOs.

- Deliveries of relief items in some affected areas are still ongoing or planned during the course of this week.
- IOM has assisted 747 families with the provision of NFIs, emergency shelter, tents and solar lights, while the needs of the remaining affected families were covered by humanitarian partners following coordination. Families who lost members were provided with cash assistance by ANDMA.
