- ✓ 4W's - *Who did what where?*
 - ✓ Mostly for reporting, but planning possible – targets per organization – *Who is going to do what where?*
 - ✓ On-going augmented usage
 - Vulnerability tracking – HNO (*Humanitarian Needs Overview*)
 - Post-intervention **outcome monitoring** for indicators – NFI Score-Card - before/after
 - Other monitoring – satisfaction, purchasing patterns, specific item monitoring

Limitations and Challenges . . .

- ✓ Compliance / usage for organizations for own reporting
- ✓ Giving back to users – information products
- ✓ Entry by Cluster Coordinators, Co-facilitators
- ✓ Data cleaning
- ✓ Not being used at capacity – no Cluster Information Management Officer
- ✓ Need for new/improved functions
- ▶ ✓ Linkages with ORS, Humanitarian Tools, eTools
