Update of assessments by implementing partners and population movements

• **Bulbul AbuJazo**

AOSCD has reportedly informed that a sand storm hit IDPs families in Bulbul Abujazo village located at main road between Nyala –Kass on 16 June 2016, as a result 117 HHs families were seriously affected, an initial rapid need assessment was conducted by Al Shrooq team on 19 June 2016 but still an in-depth verification is needed to determine the vulnerability and actual needs of the affected households.

• **Otash camp**

The project partner RDN has received the verified list of third group of EJM new IDPs which finalized by IOM and shared with OCHA last week, NFIs assistance request will be submitted to ES/NFIs sector accordingly for 412 HHs with 2060 individuals.

Movement of some IDPs families from Otash camp was reported by RDN last week that about 300 HHs have been seen moving from Otash camp to Donkey Drisa village, informed that the IDPs used to go on seasonally basis in period from June up to November to fields for farming activities and back to IDPs camps when the rainy season is over.

Update of distributions by implementing partners:

JMCO reported that its emergency team managed to distribute emergency NFIs assistance including blankets, jerry cans, plastic sheeting, sleeping mats and cooking sets to 31 HHs fire affected in AL Salam camp on 16 June 2016 dispatched from CHP, after need assessment and verification was conducted relatively with other humanitarian agencies in the camp.

NCA completed the NFIs distribution to 10 HHs fire impacted in Sakali IDPs camp on 16 June 2016 based on the conducted assessment result, the necessary documents will be received as soon as possible.

Distribution reports, monitoring & evaluation and beneficiaries lists

Implementing partners reminded as always to submit all required documents such as distribution reports, photos and hard /soft copy of beneficiary lists to NFIs sector after completion of distribution in regular manner, for proper documentation and post monitoring purpose.

Emergency Shelter Updates:

- 250 improved emergency shelters were distributed by SRCS to 250 HHs of returned families in areas of Hijir, Umkogyia and Marla in Belil locality last March 2016.
- UPO has conducted construction techniques of environmental friendly shelter for 100 trainees in Battey village during a month of June 2016.
- Distribution of 20 transitional shelters was completed by UPO for 20 HHs old IDPs households in Bulbul Tembisko on 29 April 2016. and 10 other out of 50 also handed by AL-Shrooq national organization to 10 HHs of old IDPs in Kass camps during the month of June 2016.

AOB:
